

STAN TURNER DDS, PC

Introducing: **Garrett S. Turner D.D.S**
Our New Associate

To our patient:

We would like to welcome you to our practice! My staff and I are delighted that you have chosen us to care for your dental needs. It is our goal to help you enjoy the benefits of good dental health for the rest of your life.

We are providing this patient information letter to help you become familiar with our office policies. You may want to keep this letter with your insurance information for future reference.

Dr. Turner will do a thorough oral examination, and take any necessary radiographs. He will then discuss with you your oral condition and give his recommended treatment. Upon diagnosis, a treatment plan, and a consultation may be scheduled to discuss in detail your treatment options, and fees will be discussed at this time also. If you have an emergency situation that requires immediate attention, please let us know, and we will take care of that area first. For the comfort of our patients, Nitrous Oxide (laughing gas) is available upon request.

There are conditions that require dental prophylactic (antibiotic) medication prior to appointments. Please inform us of any heart condition or joint replacement before your scheduled appointments. We ask that you please inform us if you have an active **fever blister** prior to your appointment. Should you have an active fever blister your appointment will need to be rescheduled, as it is a contagious condition.

As a courtesy, our office will file your insurance. **You are responsible at the time of service for your co-pay, and or any deductible.** Your insurance policy is a contract between you, your employer, and the insurance carrier. **It is ultimately the Patients responsibility to know his/her insurance plan, coverage information, and remaining benefits.** Insurance balances still due after 90 days become the full responsibility of the patient. We accept payment in the form of cash, check, or credit card. There is a \$30.00 service fee should a check be returned. We also offer a patient-financing plan. If you would be interested in this please check with the front desk. We would be happy to discuss this option with you.

We appreciate your cooperation and compliance in keeping your scheduled appointments. Appointments are confirmed through email reminders. Please provide our office with your current email address. Visit our website, DrStanTurner.com, to learn more about what we offer. It is imperative for your dental health to keep scheduled appointments, as cancellations will further delay treatment. As we are sure you understand, our time is valuable and may be needed in an emergency situation, therefore, **if you must cancel an appointment, please give us 24-hour notice otherwise a \$75.00 fee will be assessed to your account per incident.**

Our business hours are:
Monday-thru Thursday
